

Here is a copy of the CONTRACT you will be asked to sign:

ALL items MUST pass our ABC'S Checklist inspection.

Any items left and found later to have a flaw may be put on our "No Thank You" rack. We will contact you ONCE and they may be DONATED AFTER ONE WEEK if they are not picked up.

The Consignment CAT prices and reserves the right to reduce prices during the consignment period. After the first 30 days, the price will be reduced by 10%, 60 days - 20% and 90 days - 40%. Formals & semi-formals do not reduce in price.

You receive 40% of selling price on items under \$50, 50% of items \$50 to \$199, and 60% of items \$200 and over sold during the consignment period.

A \$10 SET-UP FEE will be taken out of your account and will show as a negative balance until your sales exceed \$10.

Items are consigned for 90 days with the exception of formals. Formals are consigned for an additional 3 months unless you pick them up.

We do not call to remind you to pick up items at the end of your consignment period unless the starting price is \$50 or more. Therefore, it is important for you to keep up with your items' expiration dates if you would like them back. If they are not picked up by the expiration date they may be put on clearance or donated. Items sold after the expiration date are not credited to your account. If you would like to retrieve unsold items, you may bring the items to the counter for us to remove from inventory. If you would like for us to retrieve them, we charge a \$1 pull fee for each item.

All reasonable care will be taken with items left on consignment, but items are left at the owner's risk. The store is not responsible for damage or loss.

You may come in anytime to pick up money owed to you or you may call and request to have a check mailed. You may check your balances online. Your account will remain open for one year after the last activity.

This agreement supersedes all pre-existing agreements at The Consignment CAT.

After Your First Appointment

You have 2 options after your first appointment:

DROP & RUN

Inspect & Call: After you drop them off, we will inspect them and call you with anything that doesn't pass our ABC'S Checklist inspection. You will have **ONE WEEK** to pick them up or we will donate them to the charity of our choice.

Inspect & Donate: After you drop them off, we will inspect them and donate anything that doesn't pass our ABC'S Checklist inspection to the charity of our choice.

SCHEDULED APPOINTMENT

If you would like us to inspect your drop-offs while you are here, you will need to make an appointment so that we can make sure we are staffed and can give you the attention we would like to. We prefer to make appointments Monday through Thursday between 1pm and 5pm. Please let us know approximately how many items you will be bringing in.

(Important note: Whichever option you choose, **PLEASE PRE-INSPECT** your items and bring them ready to sell. Also, please bring as many items ON HANGERS as possible.)

New consignors will still be asked to set up an appointment for their first time and we will inspect their clothes at their first appointment. New consignors cannot drop and run during their first appointment.

You're 3 Steps Away!

1. MAKE AN APPOINTMENT. First time consignors must make an appointment by calling 334-475-3334. You only need an appointment for the first time or if you want us to inspect your items while you wait.

2. PREPARE YOUR ITEMS. To prepare your items to be consigned, **please go over our ABC'S Checklist very carefully.** Please bring as many things as possible **on hangers.** It is much easier to process and it tells us you have taken the time to sort through them. Items will NOT be accepted in garbage bags.

3. BRING THEM TO US. When you arrive we will set up an account for you and give you a unique account number. We will print a contract for you to read and sign. A copy of it is included in this brochure so you may read it before your appointment. It includes the consignor splits and setup fee. We will look over your items before you leave to make sure that they are all suitable to sell at our store. We will send back any items that do not pass our ABC'S Checklist. We're pretty finicky and so are our shoppers. Items will be processed as quickly as possible. Each item will have a unique barcoded tag. The database is uploaded every night. You may check your account online by visiting www.TheConsignmentCAT.com.
